

JAZZ 3716

Harmony of shapes, elegance and ergonomics are the main features of Jazz armchair. A cosy seat, a curved and embracing backrest, supported by a thin steel frame Ø16mm, guarantee a great balance of proportions and profiles. Seat and backrest are separated by an opening that makes the armchair functional and gives lightness. A high level of customization is possible thanks the combinations of the upholstery, in fabric or leather, and the different finishes of the steel.
