design – **Simon Pengelly**

en – Simon Pengelly was born in Henley in the UK in 1967. When he was eight he started making furniture in his father's furniture workshop and won a prize for cabinetmaking at the age of 15. He went on to study at Rycotewood College and Kingston Polytechnic. Pengelly started his professional career as a designer at Conran Design Group. Moving on to Habitat's design team in 1990 and later coordinating the design and development of their furniture range as a freelancer in the late 90's. Pengelly set up his London based studio in 1993. The studio now works for renowned firms in the UK, Spain, Italy, Holland and the United States. Pengelly's understanding of how people use and relate to the objects around them and his affinity with materials and manufacturing processes, combined with a passionate desire to create production furniture with 'soul', has resulted in award-winning furniture that contains a wonderful mix of understated design, timeless spirit and clever engineering.

es – Simon Pengelly nació en Henley, Reino Unido, en 1967. Cuando tenía ocho años comenzó a fabricar muebles en el taller de su padre. Estudió en la Universidad de Rycotewood y en la Politécnica de Kingston. Pengelly comenzó su carrera profesional como diseñador en Conran Design Group. Pasó a formar parte del equipo de diseño de Hábitat en 1990 y posteriormente empezó a coordinar el diseño y desarrollo de su gama de muebles como diseñador freelance. En 1990 Pengelly estableció su estudio con sede en Londres. En la actualidad el estudio de Pengelly trabaja para reconocidas firmas del Reino Unido, Italia, Holanda, España y Estados Unidos. El profundo conocimiento de cómo la gente usa y se relaciona con los objetos, su afinidad con los materiales y los procesos de producción, combinada con su pasión por crear "muebles con alma" ha dado como resultado una amplia colección de piezas premiadas internacionalmente en múltiples ocasiones incluyendo el aclamado "Compasso d'oro". Los diseños de Pengelly contienen una maravillosa mezcla de ingeniería inteligente, diseño refinado y espíritu atemporal.
