

ARYN

design — Jonathan Prestwich

Designed by Jonathan Prestwich, **ARYN** is a collection of versatile chairs that easily crosses the boundaries between the domestic and work spaces. A transversal, contemporary, light and fresh design that balances form and function being at the same time fascinating from any perspective.

Designed to optimise comfort, **ARYN** chairs are available with a four legged or sled base frame. Both of them are easily stackable. The seats and backrests are available in twelve plastic colours and the seats can be fully upholstered. Its lightness, strength and stackability ensure years of everyday use in a wide range of public and private environments.
