

ICONICA collection

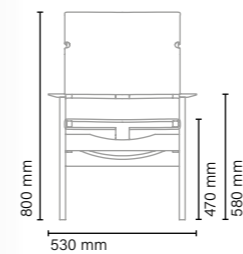

Design by Gabriel Teixidó

The Iconica armchair is the result of the combination of aesthetics and functionality.

With a clear respect for tradition and local craftsmanship, it is upholstered with a braided system that uses top quality waterproof suede leather.

Its unique structure in solid beech wood is under PEFC certification, which guarantees that it comes from responsibly managed forests in accordance with the strictest environmental, social and economic requirements.

A piece that makes its presence impact the environment.
