**TIMES ARE CHANGING.
SO DO SPACES.**

In new workspaces, the furniture becomes the tool capable of offering a world of possibilities. Workplaces aspire to be more than accumulators of tasks and people, seeking to be a meeting point for creativity and talent. Noom is warm and comfortable. A chair for any time of day.

Dans les nouveaux espaces de travail, le meuble devient l'outil capable d'offrir tout un monde de possibilités. Les lieux de travail tendent à devenir plus que de simples accumulateurs de tâches et de personnes. Ils veulent devenir des points de rencontre, de créativité et de talent. Noom est chaleureux et confortable. Un fauteuil pour tous les moments de la journée.

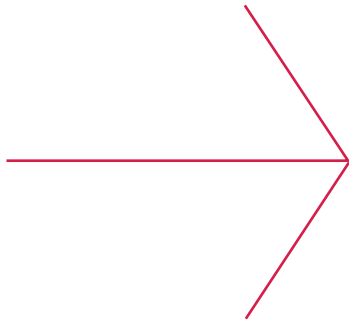

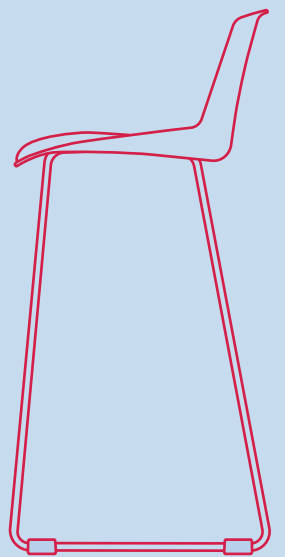

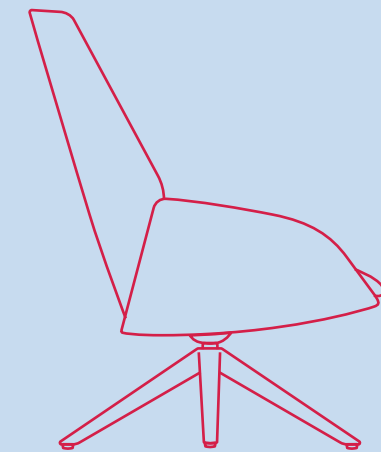

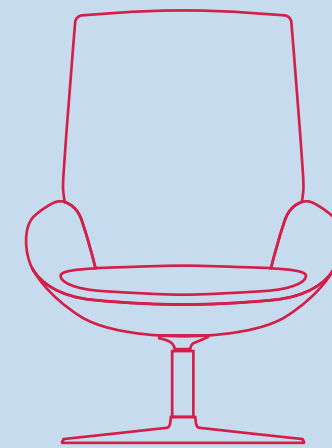

ALEGRE DESIGN

Marcelo Alegre

“Noom fuses artisan upholstery with 3D patterns and seams technologies. It creates an unprecedented geometry from a soft and back to front design capable of generating new sensations in all kinds of spaces. Furthermore, Noom represents a technological leap in terms of furniture upholstery”, according to Alegre Design.

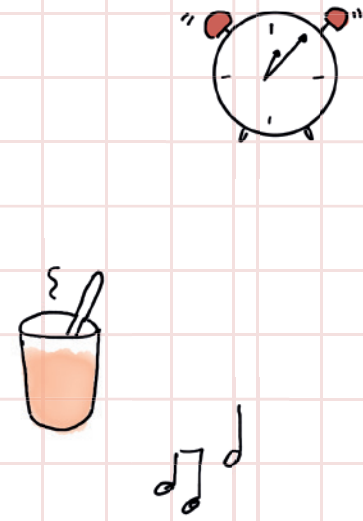

“Noom not only provides comfort, but it also personalises and customises each space, as well as providing new sensations from its touch as well as a high level of well-being...”

**Spaces for sharing,
debating and relaxing.
Change of scenery,
change of space and
change of ideas.**

COLLABORATION

SIT DOWN
RELAX AND RECHARGE

Choosing the right colour is crucial when it comes to transmitting sensations. Therefore, each piece adapts to the size of the specific space and project. Upholstery, colours and seams -simple, French caning and edging- respond to the aesthetic vision and the needs of use of each environment.

Le choix de la couleur est essentiel pour transmettre des sensations. C'est pourquoi chaque pièce s'adapte à la mesure de l'espace et du projet précis. Capitonnages, couleurs et coutures -simple, française et bordure- permettent de répondre aux exigences de la vision esthétique et aux besoins de l'utilisation de chaque environnement.
