The collection

KORI

EN

Designed for executive and meeting spaces, KOR collection is all about nature. A soft body rounded like a river pebble and a backrest gently curved like a leaf. A diecast armrest which reminds us the organic shell that we can find on the beach. All of these natural curves create a comfortable and elegant armchair, available in three sizes, to work with blending timeless elegance and ecological conviction.

FR

Conçue pour les espaces de direction et de réunion, la collection KOR est axée sur la nature. Un corps souple arrondi comme un galet de rivière et un dossier légèrement incurvé comme une feuille. Un accoudoir en aluminium injecté qui nous rappelle le coquillage organique que l'on peut trouver sur la plage. Toutes ces courbes naturelles créent un fauteuil confortable et élégant, disponible en trois tailles, pour travailler avec élégance intemporelle et conviction écologique.
