[en] “Nothing would be as it is in this collection without the material it is made of: solid wood. Wood gives identity to the pieces; it is the starting point, the reason of every detail in the project. Because this design is based on the details and they can only be constructed thanks to the material. At the same time, this collection is inspired by Expormim’s long-standing tradition in handcrafted rattan and seeks dialogue with it.”

T822C Team. 2-drawer TV module / mueble TV 2 cajones. LT11 graphite. Metallic legs / patas metálicas. High legs 20 cm / 8". 111 FT graphite. Sacco 05

T834 Team. 4-drawer sideboard / aparador 4 cajones. W01 natural oak. Metallic legs / patas metálicas. High legs 20 cm / 8". 109 FT champagne. Natté canvas
