[en] “*Kiri* is a set of round coffee tables combining rattan with solid wood and lacquer in an aesthetically fluent dialogue. It may be difficult to imagine how such a supple material like the rattan used to shape the base can support the weight of the wooden tops, but the fact is rattan is actually strong. The project thus intertwines the two raw materials characterizing Expormim’s identity.”

T548 40 Kiri. Round coffee table / centro redondo. Ø40x55 / Ø15.75" x 21.75". W01 natural oak. R10 natural

[en] Structure made of peeled and tinted natural rattan. Finished with a three step coating (dye, base coat and top coat) highly resistant to solar radiation thanks to UV filters. Possibility to customize the tabletop by using different finishes: solid wood from European oaks with 21 mm/0.83" of section and lacquered version (MDF).

[es] Estructura en rattan natural pelado y tintado. Acabado con recubrimiento en tres fases (tinte, fondo y acabado) con filtros UV que lo hacen altamente resistente a la radiación solar. Posibilidad de personalizar la tapa mediante el empleo de diferentes tipos de acabado: lacado y madera maciza de 21 mm de sección.
