

lapala
lievore altherr molina, 2015

[en] In an effort to recover the characteristic braided chair so typical of the Mediterranean, Expormim reedits the seating collection Lapala, a classic by Lievore Altherr Molina Studio. “Her curves and gentle shape keep the sober, light and versatile character of the original design. This update brings a significant increase in comfort through its improved ergonomics as well as a higher performance to weather conditions due to the fact it is woven with nautical rope on a painted stainless steel frame.”

C5977 Lapala. Hand-woven chair / silla tejida. 102 FT light grey. 426 SPK turquoise
