

GUS collection

Design by Francesc Rifé

Collection of tables with a sober but at the same time balanced design. The feature that stands out most in Gus is, without a doubt, the revolutionary concrete base, which aims to merge with the urban landscape, transforming itself into an extension of the pavement. Both because of its strong personality and its ability to personalize, it is a table that can dress up any type of space.

GUS collection

Table

TGU74

Table with concret and steel base. Round or square top

TGU110

Hight table with concret and steel base. Round or square top
