# LOTTA

by Antoni Arola

The essence of Lotta is the nobility of its materials and the purity of its design, a collection capable of raising the level of any room. Its elegance and formal structure allow the table to be adapted to any environment.

Bedside table with white marble finish and structure in ash beech by Antoni Arola from Lotta collection, code LOTTA-45R, Ø45x50 cm.

The union of its legs with the top, the detail of its bevel and the joints of the top are details that make it unique. Thanks to the combination of its finishes, marble, walnut and beech, we find a classic in contemporary design.
