Matteo Nunziati is specialized in the design of luxury hotels and high end residences all over the world. Together with Tonon he has created a program (chair, armchair, lounge, sofa and tables) that can fit both in the habitat and in public areas, such as restaurants, waiting areas or hotel rooms. The Libra collection is of great formal elegance, combined with a reassuring comfort and quality. Libra also offers a dining table in solid walnut in different sizes and small tables to be placed next to the sofa and the lounges.
