[en] “*Obi*, a tribute to Japanese culture takes a piece of Japan’s most remarkable garment, the kimono, and turns it into its key element. This piece is none other than the belt, the *obi*”. With a structure made of aluminum injection molding 100% recyclable and profile extrusion, this season, *Obi* adds a new chaise longue and a daybed, as well as the option to dress up its signature belt with the new Sunbrella Premium Sling fabrics.
