

The design that comes from memory, a Cremino, the chocolate cake that was eaten as children, composed of two layers of Gianduia chocolate interspersed with a chocolate paste containing hazelnuts, coffee; which served as a starting point to give life to a seat of great class and particularity of the unique and evocative style, enriched by sinuous shapes and geometries that come from the past with captivating lines, a refined design and great personality ideal for contract and home use. Wooden or metal base with curved and enveloping back.
