

basic
studio expormim, 2012

“*Basic* collection designs are built on two fundamental concepts: one is functionality and the other, the richness of its materials. Defined by simplicity and pure lines, the sideboards, cabinets and TV stands included in this collection can be extended in terms of usability by simply adding drawers and shelf units; texture can be also multiplied by choosing either a steel finish or a combination of lacquered finishes.”

T341 Basic. 3-door sideboard / aparador 3 puertas. W01 natural oak - LT09 champagne. Metallic legs / patas metálicas. 111 FT graphite
