Table collection for home and contract.

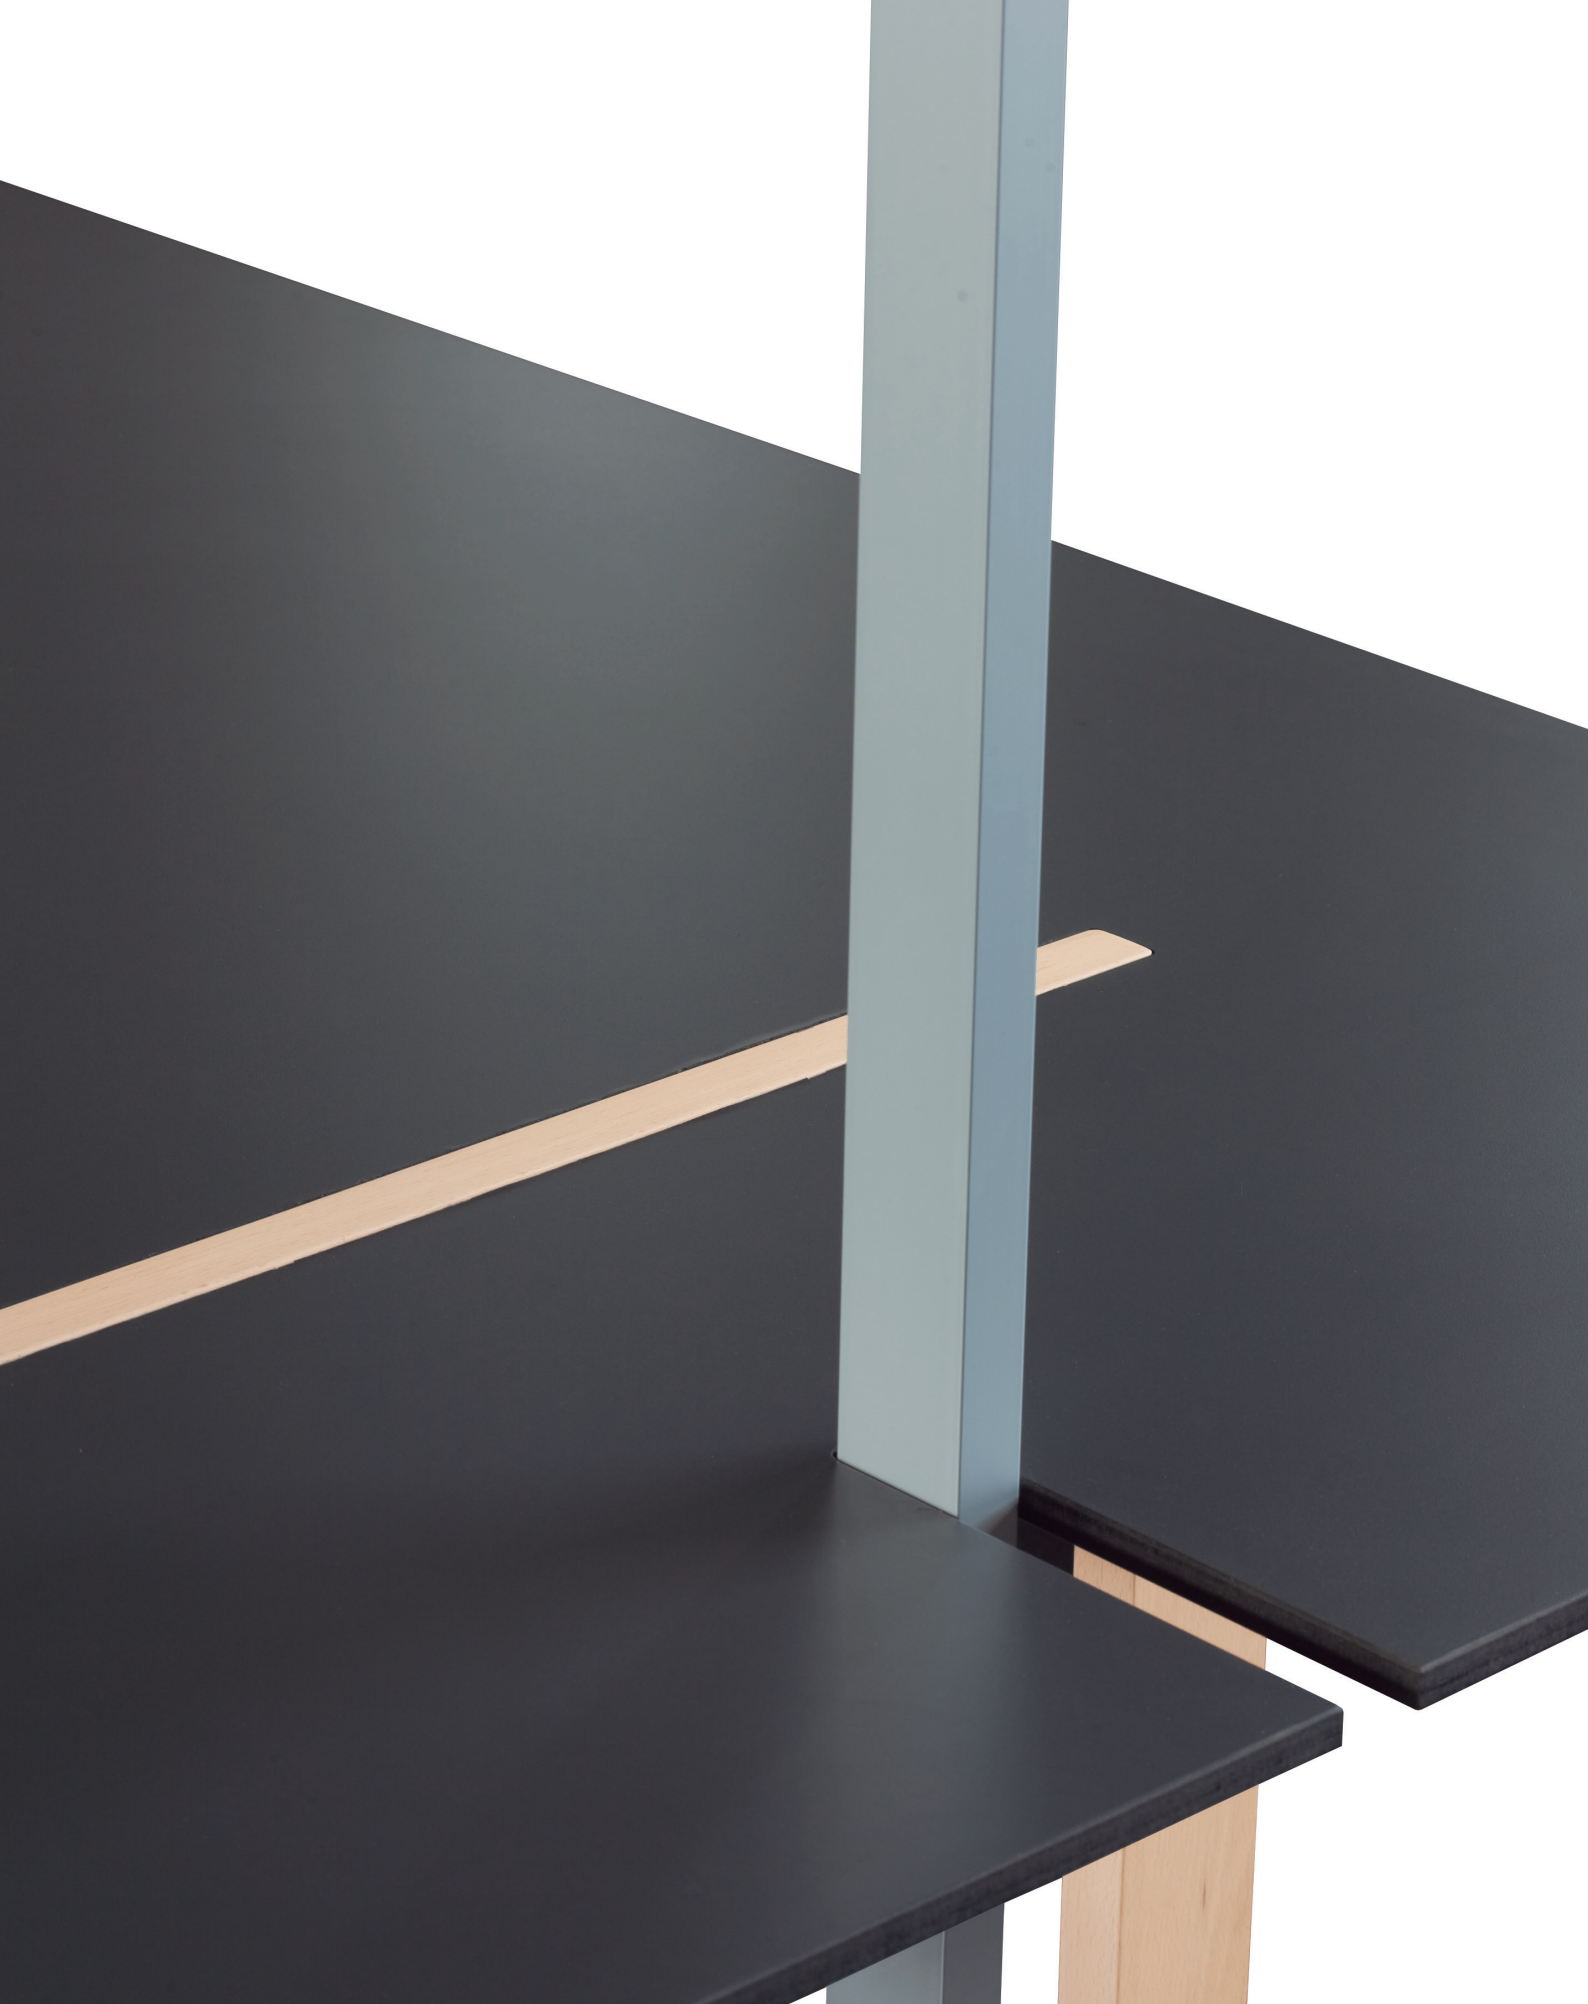

Flexible and modular. With its own personality as consequence of the fusion and compromise between modernity and colloquial.

4F2110HDF

Collection of fixed tables made by two beech wood bases and a top HDF 19 mm cover by melamine in white or anthracite.

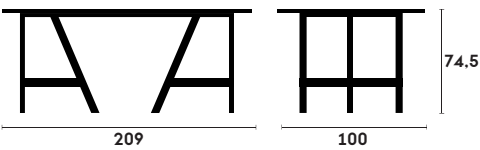

4F2412HDF

Ref. 4F1810HDF.

Beech wood base top HDF

salvador villalba

He graduates in Interior Design at the Escuela de Artes Aplicadas de Valencia in 1981. Member of the board at the Colegio Oficial de Diseñadores de Interior from 1987 to 2005.

In 1983 he creates his first studio, Arco Interiorismo. He will associate with the design editor Santa & Cole. Since 1995 he directs the Salvador Villalba Arquitectura Interior studio, and in 2010 he simultaneously develops this professional activity with the Product and Communication Direction at CAPDELL. Since 1994 to this day he has been a project teacher at the Escuela de Arte y Superior de Diseño de Alicante and Valencia. He has also practiced as director and speaker at many seminars and conferences in a national and international range.
