

atrivm
manel molina, 2019

[en] “*Atrivm* is the meeting place around which life unfolds, around which the structure of the Roman house is defined. The Mediterranean lifestyle maintains the tradition of celebrating life around the table. The tables of this collection, made of tubular structures of aluminium extrusion, succeed in joining lightness and strength, and offer a wide range of dimensions and finishes suitable for the most demanding indoor and outdoor environments”.
