NUME

design - Studio INCLASS

NUME is a collection of versatile occasional tables with adjustable or fix height central base. The tables have been designed for a flexible and transversal use in a wide diversity of contexts and environments. The adjustable height allows them to be used next to a sofa, an armchair or a table. The table tops are available in three round formats: 40cm, 50cm and 60cm or in rectangular format 35x55cm. All of them can be produced in oak veneer, lacquered MDF, white HPL, black HPL or in black HPL FENIX NTM. For an easy integration in different spaces and projects, the metal bases can be finished in all colours of the INCLASS swatch card.
