Technical specifications

Model	**Metal mobile pedestal** 1 drawer+1 filing drawer	**Metal mobile pedestal** 3 full extension drawers
Body	· High-resistance structure manufactured from 0.7 mm sheet steel. · Electrostatic powder coating with a thickness of 90 µm. Includes an anti-oxidation and anti-fingerprint treatment with a silky texture, ensuring optimal maintenance and prolonged durability. · Drawers manufactured entirely from steel, mounted on roller runners that ensure smooth and functional sliding. · Drawers and file drawers with total accessibility. · Soundproofing and smoothness in extraction and closing actions. · Reinforced structure for use as a seat in all models.	
Locking system	· Cylinder lock with open and closed positioning. · Centralized locking system using a polyamide lateral espagnolette bar. · Incorporates an anti-tilt device that ensures the stability of the unit at all times.	
Support type	· Silent safety casters (Ø 35 mm). · Includes two front casters with brakes.	
	· Models with a file drawer include an additional 5th caster to maximize stability and operability during opening.	
Internal equipment	· Includes pen tray as standard.

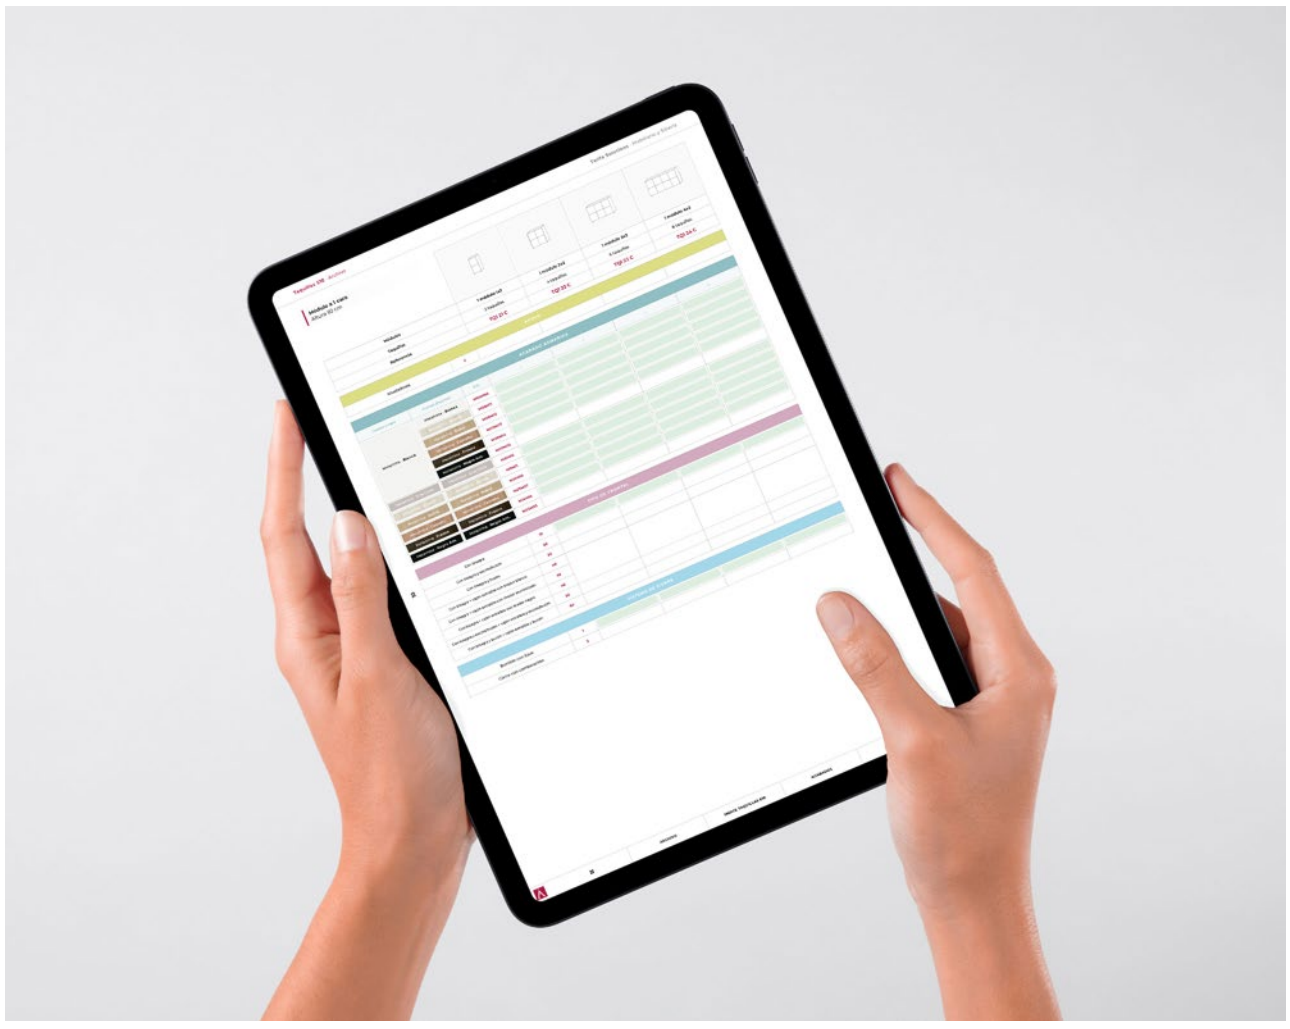
How to code a reference correctly



1. At the beginning of the coding and price tables of our price list, you will find the available models and their prices, as well as the basic reference of the product.

2. The system is designed to code vertically, adding desired components to the product by selecting the reference digits. Creating a correlation that will form the final order reference.

3. The finishes of arms, bases, optional complements, supports and upholstery will be shown in different colors so that the location of their reference and price is intuitive.

4. At the end of each table we will have legends or informative notes about the product being offered. Please read carefully to avoid confusion or mistakes when ordering.

5. This catalog has an interactive menu that will facilitate the user's navigation. It is located at the bottom of each page and from it you can go to the index, go back or even navigate within the family and the product displayed.

HUTCHES FOR DESKS / PEDESTALS 80 cm WIDTH

Hutches allows us to get a side filing space on the desk top or pedestal. In COOL, VITAL and VITAL PLUS , they can divide workplaces. With this system we reduce cost as we do not use progressive legs or divided screens.
